

# KNOW YOUR DOCTOR

Dr. Swapnil Verman is an experienced orthopaedic surgeon in Mathura, specialising in **knee, foot, ankle surgery** and **sports medicine**. He is also an expert in **joint replacement surgeries** of the **knee** and **hip** and has successfully treated numerous complex cases. He has completed fellowships at prestigious hospitals such as Breach Candy, Hinduja, and Lilavati.

With 8+ years of experience, he is recognised as the **only dedicated knee-foot-ankle surgeon** in Uttar Pradesh. He has established **Happy Heels**, which is the first-of-its-kind centre in the 120 km radius that uses **3D foot scans** for **customised insoles** to offer tailored foot and ankle care to patients with specific needs and gait problems.

**Dr. Swapnil Verman**

**Consultant – Verman Hospital**

M.B.B.S., D. Ortho, DNB (Orthopaedic Surgery)  
F.I.J.R., F.I.A.S.M., F.I.F.A.

Dr. Swapnil Verman is one of the **few orthopaedic surgeons** in the country who has received **specialised training** in knee, foot, and ankle surgeries. He has received certification from the **American College of Rheumatology** to treat rheumatoid arthritis, ankylosing spondylitis, and other autoimmune diseases.

He has also completed a **fellowship in paediatric orthopaedics** under the guidance of Dr. Sandeep Patwardhan, a renowned paediatric orthopaedic surgeon from Pune. He provides super-speciality care to the underprivileged through free **health camps across India**.
